

Costa Rica    APRIL 2024

*In many places, April marks the beginning of spring, blossoming plants, bright skies, and a fresh crispness in the air. In Costa Rica, April brought opportunities to make new friends from across the globe, visit pastors in the field, proclaim glory on the border town between Panama and Costa Rica, and organize a day retreat for pastors in our community. This month has SHOWERED us with blessings of all sorts.*

## PRAISE & WORSHIP @ CAMP DAVID

April began with a prophetic prayer time on top of the mountain. We chose selected leaders to participate and join this intimate time at Camp David. We honored HIM in song and worship, we sought HIS direction, and we rested in HIS presence. It was beautiful to be with HIM and simply soak in HIS peace.

## TORCHBEARERS ON MISSION

Torchbearers, an international Bible school, brought their students on mission to our region. For 10 days, a group of over 40 young adults and staff worked, served, shared, and impacted our region with their helping hands and loving hearts.

## WOMEN'S EVENT:

### *“Glory without Borders”*

Simply put: GLORIOUS! We went to praise God, confident He would move and manifest His great power and authority. An army of over 200 women and men answered the call to make a difference in this sinful, desolate, dirty border town. There is no doubt that God moved that day and that this town is sure to experience radical change.

## ARROWS YOUTH GROWING

Our youth group, “**ARROWS**”, are growing a bit in numbers. Far more significant than the numbers, is the fact that our youth are growing in their relationship with Jesus. Every week, these youth are being exposed to God’s word and are invited to engage in a relationship with Him. These high schoolers **NEED** Jesus. The Arrows ministry staff is making great efforts to invite youth to know, seek, and fully surrender their lives to Jesus. ❤️

Psalm 9:1

I will give thanks to you, Lord, with all my heart; I will tell of all your wonderful deeds.

Costa Rica    APRIL 2024

### FUN IN THE SUN

Our Senior Citizens Ministry is active, dynamic, and filled with vigor! This month the seniors headed to the beach! They enjoyed fun games, an inspiring message, fellowship in the sand, and some even ventured into the waves. No doubt their years add up, but they are all young at heart and love a good time!

### DISCIPLESHIP FOR NEW BELIEVERS

This month's discipleship class for new believers is the largest class yet! We have 14 folks attending the 4-week course. It's exciting to see new faces growing in God, discovering the greatness of His grace and mercy, and unleashing their true purpose in the Kingdom.

### FIELD VISIT TO REGIONAL PASTORS

We trekked all over the region this month to visit each of our regional pastors on their turf. All the mileage was a bit rough, but we treasured every moment of every visit. From the church truck breaking down in Drake Bay to freshly baked pastries in KM 12, every visit was filled with adventure! It was truly a blessing to invest in our pastors, share experiences, and provide direction for new and upcoming projects.

### RETREAT FOR CITY PASTORS

Camp David hosts fifteen different pastors and their spouses. *What a treat!* The getaway surprise included prayer for one another, intercession over the city, an inspiring message, a delicious lunch, and of course a coffee break filled with great conversation. The pastors were renewed, recharged, recognized for their great work in the Kingdom, and given *fresh oil* to keep moving forward!

### **HIS CALL ∞ HIS WONDERS**

- Plants churches throughout the region
- Trains pastors & teachers for growth
- Feeds & clothes the needy & disadvantaged
- Offers Christian education for local children
- Provides outreach to native indigenous tribes

Transforming *Costa Rica* one life at a time!
